General restrictions and requirements.

- A. No dumpster or POD shall be transported, emptied, or serviced between the hours of 7:00 P.M. and 7:00 A.M. Monday through Friday, 7:00 P.M. and 8:30 A.M. on Saturday or legal holiday; nor shall any mechanical, hydraulic or electric loader, compactor, packer or conveyor be utilized during such hours.
- B. No dumpster shall be filled beyond the top of such container. Containers shall be emptied as soon as practical when full, or within forty-eight (48) hours upon receipt of written notice from the Borough.
- C. No dumpster shall be filled by means of a chute, conveyor, belt or other device located in, above, on or across a street, or by dropping or throwing items in, above, on or across a street, unless the permit authorizing placement of such container specifically authorizes such methods.
- D. When not in use, all dumpsters shall be covered with a tarpaulin or otherwise secured, to prevent debris from blowing out of said container.
- E. No dumpster may be placed on a public street within Marcus Hook Borough unless the container has reflectors or some other type of reflective materials attached to all four of its sides and no permit shall be issued for the use of any such dumpster which does not have such reflectors attached to all four sides. All such reflectors or reflective materials must be located on areas of the dumpsters which are readily visible to vehicular and pedestrian traffic.
- F. All dumpsters and PODs shall be in good condition free from rust, peeling paint and other forms of deterioration.
- G. The dumpster and/or POD must not contain any excess advertising beyond the identification of the company name and phone number of the company which placed the container on the property.
- H. On or before the expiration of the permit, the permit holder shall remove or cause to be removed the dumpster, unless a renewal permit is obtained through the Code Enforcement Department. The permit holder is responsible for the cleanup of the area where the container is located.
- I. Every applicant for a permit to place one or more containers upon a street or public grounds shall be responsible for repairing and/or replacing any damage caused by the applicant's use of the street or public grounds for such purpose.
- J. Every permit holder shall allow access to private property by the Code Enforcement Officer during reasonable hours of the day to verify compliance with the applicable provisions of this Ordinance.
- K. Only one dumpster shall be placed on any property at one time unless the Code Enforcement Officer shall determine there is good cause for permitting more than one at a time.
- L. The use of a POD shall not be for the storage of any commercial or business related items. The use of a POD must be for temporary relocation of items from or for the premises the permit indicates only. No household items from any locations other than the premises indicated on the permit (the premises on which the POD is located) can be stored in the POD. A POD is not a shed and shall not be used as a shed.
- M. Hazardous materials including flammable and inflammable, and biohazard substances or organic matter shall not be stored in any container.
- N. It shall be the responsibility of the permit holder to maintain the dumpster and/or POD free of any rodents, vermins or insects.
- O. No trash or debris shall be stored in any POD.
- P. No dumpster or POD shall exceed 40 cubic yards in area.
